CASE NO. 8424

O R D E R

On December 21, 1981, the City of Hazard ("Hazard"), Perry County, Kentucky, and the Buckhorn-Gays Creek Water District ("Buckhorn-Gays Creek Water") filed a joint application requesting that emergency consideration be given to the proposed transfer of Phase One of Buckhorn-Gays Creek Water to Hazard.

Buckhorn-Gays Creek Water stated in its application that it is currently experiencing serious financial difficulties, it has no employees, customers are not being billed, and no maintenance is being performed.

The Commission, having considered the matter and being advised, is of the opinion and finds that the transfer of Phase One of Buckhorn-Gays Creek Water to Hazard is in the public interest and should be approved.

IT IS THEREFORE ORDERED That the City of Hazard, Perry
County, Kentucky, and the Buckhorn-Gays Creek Water District be
and they hereby are authorized to purchase and sell, respectively,
Phase One of the existing waterworks distribution system.

Done at Frankfort, Kentucky, this 8th day of January, 1982.
